

Pick-Up Sportz

User Manual

Product Description:

Pick a sport to play (baseball, soccer, tennis, basketball, etc), select a place to go on a map, create the event and list the items that are needed to play the game. Each player who has the app within a certain range will be notified based on the users settings.

Users will be rated to ensure quality assurance. Each profile will allow the user to select details about themselves, for example, their favorite sports they play, their skill level for that sport, and the equipment they own for that sport.

How to Sign Up

Upon arriving on the website, you start at the homepage where you will have options in the top right corner, one of which is “Create Account” where you will go to make an account. To do so you need an existing email address. If you do not have one, create one before you proceed. If you have an account already, then go to the “How to Log In” portion if you are in need of assistance in logging in. If not, then when trying to sign in, you are met with two ways to sign up.

Sign up Without Google:

1. Click on “Create Account”.
2. Enter the your email address
3. Enter a secure password (min of 6 characters)
4. Re-enter your password to confirm it is correct
5. Click on “Create Account”.
6. If successful a popup screen will notify you
7. Click “Finish”.

Sign Up With Google:

1. Click on “Sign Up With Google”.
Note: After clicking “Sign Up With Google”, a box will appear with an option to enter your email address manually or to look for your email on the suggestion box.
2. Enter your email address in the textbox or click on your email address in the suggestion box.
3. Enter your password when asked.
4. Click “Finish”.

How to Create a Profile

1. Fill out First Name, Last Name, Favorite Sport, City, State, and ZipCode.
2. Click on “Reset” to erase all entered information
3. Click on “Save Changes” to finish creating a profile

Login:

1. Enter your username in the “Username” text field.
Note: The username is the same username that you entered when signing up.
2. Enter your password in the “Password” text field.
Note: The password is the same password that you entered when signing up. Be careful entering your password. It is case sensitive.
3. Click “Login”
Note: If everything is entered correctly, then it would sign you in. However, if you didn't enter something correctly, then it will display an error message and not give you access.

Recover Password:

If you forget your password or, for other reasons, you want to change your password, then follow these steps.

1. Click “Forgot Password”.
2. Enter your email address in the “email address” text field.
3. Check your email address for a recovery link provided by Pick-Up Sportz.
4. Click the link.
Note: It will redirect you to a password recovery page.
5. Enter your new password.
6. Click submit.
Note: You now have a new password to sign in with.

How to Log Out

When you are done using the application and wish to close out, it is recommended for safety purposes to log out of the account. Doing so requires a user to be signed in to an existing account. If you are signed in, there is an option in the top right corner to “Sign Out”. Clicking on the option will immediately sign you out of your account and you will need to re-enter your information to access your account again.

How to Host/Create an Event

This option is when you wish to create a pick up game. To do so you must choose a specific sport, time, and location you wish to host. When you are logged in there is an option “Schedule” in the top right corner, this brings you directly to the page to host an event and see what events you have currently joined.

1. Click “Schedule”
2. Click “Create Event”
3. Create a Title for the event
4. Pick the sport that will be played
5. Enter the location of the event
6. Select which date it will be held on
7. Enter the start and end time of the event
8. Click “Reset” to erase all entered information
9. Click “Create Event” to create the event
10. Click “Cancel” to leave the page

How to Join an Event

1. Click on “Events”
2. Click on the “+” button to join a certain event
3. Click “yes” to add the event to your schedule
4. Click “No” to cancel
5. Click on the “View Attendees” to see other players that will be attending

How to Cancel/Leave an Event

1. Select the event that you want to leave from “Schedule”
2. Click “X” under the “Leave/Cancel” section

How to Change Settings

Profile Setting:

1. Click on “change Profile settings” at the bottom of the “Profile” page.
2. From here, you can change your profile picture, first name, last name, favorite sport, city, state, ZipCode, and “about me” description
